COMMERCIAL ROOFTOP EQUIPMENT INCLUDING GAS HEAT

GENERAL WARRANTY STATEMENT

We warrant all Carrier products to be free from defects in material and workmanship under normal use and service. Our obligation shall be limited to repairing or supplying a replacement for the defective part, assembly or portion thereof, which, upon examination by our authorized representative, shall be found to be defective, F.O.B. Carrier factory.

PERIOD OF COVERAGE

FIRST YEAR WARRANTY

– This warranty applies for one year from date of initial operation or 18 months from date of shipment, whichever is earlier, to all parts and components in the Carrier product identified below excepting refrigerant, air filters and filter-driers which are not included in any part of this warranty.

HEAT EXCHANGER PROTECTION PLAN

– Where a gas-fired heater is supplied as an integral part of the product identified below, we shall supply a replacement heat exchanger if said heat exchanger shall prove defective in material or workmanship within the bound period of this warranty.

GENERAL CONDITIONS

This warranty does not cover the cost of labor for any adjustments or service calls, nor does it include the cost of labor for repairing or replacing parts or components which have been subjected to misuse, abuse, neglect, accident or alteration. This warranty applies only to Carrier products installed within the boundaries of the Continental United States, Canada and Hawaii, and only applies to parts supplied or designated by Carrier.

This express warranty is given in lieu of all other warranties, express, implied, or statutory, including the implied warranties of merchantability and fitness for a particular purpose, which are hereby excluded. Carrier shall not be liable for special, incidental, or consequential damages, including the loss of time, inconvenience, or customer goodwill, and any other claims based on contract or tort, whether or not arising from Carrier’s negligence.

Service or other labor charges not included in this warranty may be covered by a service agreement through the seller of the equipment.
