

Wi-Fi® connectivity with ductless systems is not just the future – it's now.

Tap into comfort from anywhere, anytime with the Carrier® CliMate app.

Remote Connectivity: Whether you're across the world or across the hall, control your Carrier® Ductless system using the user-friendly Carrier® CliMate app.

Wi-Fi® Compatibility: Carrier® offers a complete line of ductless systems that can sync with the Carrier® CliMate app through your Wi-Fi® network. Talk to your Carrier® dealer to determine the ductless system that is right for you.

To locate a Carrier® Ductless dealer near you, visit CarrierDuctless.com.

Look for the Carrier® CliMate app at the Apple App Store or Google Play.
