

KeepRite® Packaged Heating & Cooling Systems

KeepRite®
Heating & Cooling Products
The Pros Know.

Performance Series
PAD4/PGD4

Built with strength

When you choose KeepRite® heating and cooling equipment, it means your home comfort is backed by superior engineering and quality manufacturing so you can enjoy more important things. Each unit is 100% run tested, and we design our products to give you the best in quality, energy efficiency and reliability. It's our tradition to deliver products that exceed your expectations.

Backed by exceptional warranties

Every KeepRite product is backed by an up to 10-year parts and compressor limited warranty* so you'll have peace of mind.

**To the original owner, when product is used in a residential application, a 10-year parts limited warranty upon timely registration of your new equipment. Warranty period is 5 years if not registered within 90 days. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive a 10-year parts limited warranty. See warranty certificate for complete details.*

What is a packaged system?

KeepRite packaged all-in-one units are designed for the best durability and comfort. The units stay enclosed outside or on a roof and come in a variety of combinations: dual fuel gas furnace/heat pump, gas furnace/air conditioner, electric heat pump and electric air conditioner.

What matters in a packaged system?

Get the most out of a packaged system by choosing the product that fits your comfort needs. All of our packaged products feature comfort-enhancing and durable features to deliver lasting performance. For greater efficiency in a unit, look for two-stage heating or cooling operation. Our toughest units feature wire hail guard grilles, tin-plated copper evaporator coil tubing, and stainless steel heat exchangers (in gas heating units). And our No Hassle Replacement™ limited warranty is offered on our premium products to give you peace of mind. KeepRite packaged units offer money savings, increased comfort, durable performance and quiet operation.

Air Conditioner

What sets KeepRite® packaged units apart?

1. Copper/aluminum coils and quality copper tubing.
2. High pressure switch to protect system.
3. ECM indoor blower motor provides efficient airflow.
4. Control panels allow for quicker, easier service access.
5. Rugged pre-painted steel cabinet, full perimeter metal-base rails, and wire grilles to protect the coil.

For California Residents:

For installation in SCAQMD only: Model PGD4 does not meet the SCAQMD Rule 1111 14 ng/J NOx emission limit, and thus is subject to a mitigation fee of up to \$450. This product is not eligible for the Clean Air Furnace Rebate Program: www.CleanAirFurnaceRebate.com.

SEER vs. Cooling Cost Savings

Percentage based on national averages at 10 SEER; may vary according to efficiency of current unit and installation.

PAD4 Performance 14 Packaged Air Conditioner

- Up to 14.5 SEER/11 EER cooling efficiency
- Multi-speed blower motor for improved temperature control and dehumidification
- 10-Year Parts Limited Warranty

PGD4 Performance 14 Packaged Gas Furnace/Air Conditioner

- 81% AFUE heating efficiency
- Up to 14.5 SEER/11 EER cooling efficiency
- Multi-speed blower motor for improved temperature and dehumidification
- Cost-saving single-stage gas valve
- 10-Year Parts Limited Warranty

All systems tested and listed by the appropriate agencies.
